Dear Board Secretary:

**Re: EB-2019-0073 - IRM Application for May 1st 2020 Rates
Wellington North Power Inc. (ED-2002-0511)**

On April 16th 2020, Wellington North Power Inc. (WNP) received the Ontario Energy Board's (OEB) Decision and Rate Order for approval of distribution rates effective May 1st 2020 (EB-2019-0073.) Page 10, paragraph 4 of the Decision and Rate Order states:

"4. Wellington North Power Inc. shall, on or before April 23, 2020, file a letter with the OEB indicating whether it intends to postpone the implementation of the Tariff of Rates and Charges set out in Schedule A of this Decision and Rate Order."

Wellington North Power Inc. has decided to postpone the implementation of its new OEB-approved Tariff of Rates and Charges until November 1st 2020.

Wellington North Power has reviewed the OEB's letter *"Initial Implementation Guidance to Incentive Rate-setting Decisions for May 1, 2020 Rates for Postponing Distributors"* (April 17th 2020). As the LDC has elected to postpone the implementation of its new May 1st 2020 rates, WNP will adhere to the requirements contained with this letter.

An electronic copy of this letter has been filed on the Board's web portal (ref: 40447).

Should the Board have questions regarding this matter please do not hesitate to contact me.

Yours sincerely,
